ADAMS COUNTY HISTORY

Originally home to American Indian tribes, Adams County was first settled in the 1830s as lumbercamps were established throughout the area. It was named in honor of President John Adams and Quincy was selected as the county seat until it was moved by voters to Friendship in 1858. Early residents raised crops, farmed livestock and harvested timber, and the area grew slowly until the development of the railroad. By 1900 its population had reached 9,141 and the area continued to grow. Today Adams County is home to approximately 20,088 residents.

ADAMS

Adams was organized in 1857 and was once part of Grand Marsh and Lincoln. The fertile soil provided the means necessary for raising grain and harvesting cranberries and many settlers arrived to farm the land. Land speculators offered the railroad company a lower price than nearby Friendship and rail lines were built through Adams, allowing for dramatic growth and development. Today Adams is home to approximately 1,741 residents.

DELL PRAIRIE

Settlers were attracted to the fertile soil, ample timber and access to water of the Dell Prairie area. Its name was a combination of the Dalles found nearby and the lush prairie essential for grazing stock. By 1876 a church and school were established to meet the growing needs of the community and early businesses included blacksmith shops, a wagon shop, general store, trout pond, dance hall and specialty shops. Today Dell Prairie is home to approximately 1,526 residents.

EASTON

Easton was originally part of New Chester until 1857 when the towns were divided. The nearby stream provided the power necessary for a flour mill as the soil was ideal for raising wheat, oats, grains and also cranberries. By 1880 a dam was constructed to harvest and breed trout, and the community housed a millinery shop, blacksmith shop, lumber mill and general store. Today Easton is home to approximately 1,167 residents.

FRIENDSHIP (COUNTY SEAT)

Friendship was platted by Luther Stowell and William Burbank and named after their hometown in New York. Residents successfully petitioned the relocation of the county seat from Quincy to Friendship in 1858 and the area began to grow. By 1880 Friendship housed a variety of businesses including mills, general stores, grocery stores, hardware stores, feed and farming implements, blacksmith shops, law offices, a printing office and courthouse. Construction of the railroad through nearby Adams affected the area's growth and the community's population was subsequently affected. Today Friendship is home to approximately 731 residents.

NEW CHESTER

New Chester was originally part of Easton until 1857 when the towns were divided. The first church was established in 1858 and early residents harvested timber, farmed crops, raised livestock and quarried limestone. As rail lines were constructed the area began to grow and schools were established to meet the needs of the community. Today New Chester is home to approximately 2,182 residents.

PRESTON

Preston was organized as settlers were attracted to the fertile farmland, proximity to water and pristine landscape. Mills were established to harvest the water power and the area was known for its excellent cranberry production. It is home to the only state park in Adams County and the Roche-A-Cri Mound, a sandstone formation which attracts many visitors. Today Preston is home to approximately 1,312 residents.

QUINCY

Quincy, one of the oldest towns in Adams County, was originally selected as the county seat. Settlers were attracted to the ample water supply of nearby Castle Rock Lake. Mills and a dam were established to harvest its power. The county seat was moved to Friendship in 1858 and the community continued to thrive. Early industry was dominated by agriculture as residents raised livestock and farmed crops. Today Quincy is home to approximately 1,120 residents.

ROME

Rome was settled by pioneers who were drawn to the easy access to water, fertile soil and ample timber. Early residents farmed cranberries and harvested grain and many flour and timber mills were established. By 1880 a hotel, general store, grocery store, lumberyard, school and specialty shops were thriving. It is now widely known for its excellent recreational opportunities that attract many visitors each year. Today Rome is home to approximately 2,912 residents.

SPRINGVILLE

Once home to an Indian camping ground known as Indian Spring, Springville was settled in the mid 1800s. Its name was derived from the abundant spring water streams found throughout the area which powered several flour mills and early industry was dominated by agriculture. By 1880 Springville housed a school and grocery store and the area continued to grow. Today Springville is home to approximately 1,140 residents.

STRONGS PRAIRIE

Strongs Prairie, once the most populous community in Adams County, was settled in the 1850s as pioneers were attracted to the ample water supply and fertile farmland. The area grew dramatically as flour mills were established. By 1876 the area housed several grocery stores, general stores, a wagon shop, blacksmith shop, shoe shop and a church. Today Strongs Prairie is home to approximately 1,075 residents.

JUNEAU COUNTY HISTORY

Originally home to American Indian tribes, Juneau County was first settled in the 1830s as trading posts were established throughout the area. It was organized from Adams County in 1857 and Mauston was selected as the county seat. Early residents raised wheat, tobacco, corn and cranberries, and ample timber supplied the sawmills that were established along the local rivers. Development of the railroad allowed for growth and by 1900 its population had reached 20,629. Today Juneau County is home to approximately 26,451 residents.

**Populations are approximate.*

Shop. Dine. Play. Stay.

LOCALLY

and help support businesses throughout your area.

CAMP DOUGLAS

Camp Douglas was established as the Milwaukee Road was established through Juneau County in the 1850s. The area was first known as Douglas Camp Junction in honor of James Douglas who founded a fueling camp for the local railroad. In 1889 a rifle range was constructed for the Wisconsin National Guard which is now Volk Field Air National Guard Base that currently employs many of its residents. Today Camp Douglas is home to approximately 557 residents.

ELROY

Elroy was settled in the 1850s and the first post office was established in 1857. Streets were platted the following year and mills and a dam were constructed to harvest the local water power. Railroad development allowed for dramatic growth and in 1879 Elroy was incorporated. The area is now known for the 32 mile Elroy-Sparta Trail which attracts many recreational enthusiasts each year. Today Elroy is home to approximately 1,463 residents.

HUSTLER

Hustler was settled in the 1870s as rail lines were constructed through the area. Streets were platted in 1894 and by 1914 the community housed an opera house, lumberyard, meat market, bank and an array of specialty shops. The area grew slowly but remains a tight-knit community, celebrating its Hustler Fest each year. Today Hustler is home to approximately 115 residents.

LYNDON STATION

The community was organized in 1857 as it grew from a logging camp in 1838 and its name was suggested by James Cope after his hometown of Lindon, Vermont. The first school was established in 1877 and John Dixon served as the area's first postmaster. Railroad construction allowed for growth and early industry was dominated by lumbering and agriculture. Today Lyndon Station is home to approximately 449 residents.

MAUSTON (COUNTY SEAT)

Mauston, first known as Maughs Mills, was settled in the 1850s and its name was derived from Milton Maughs who platted streets in 1854. The area grew quickly as settlers were attracted to the fertile soil, ample water supply and heavy timber. Mauston was incorporated in 1860 and by 1869 businesses included harness shops, general stores, a barber shop, shoe shop, pharmacy, bank, lumberyard and specialty shops. Mauston was selected as the county seat and the area continued to develop. In 1876 the Boorman House was constructed which now houses the Juneau County Historical Society Museum. Today Mauston is home to approximately 4,331 residents.

NECEDAH

Necedah, an American Indian word for yellow waters, was organized in 1853. The first post office was established in 1854 with Judge E.S. Miner serving as the area's first postmaster. As the community was once the most densely forested area in Juneau County, lumber mills were constructed and the area grew dramatically. Necedah developed as a commercial and manufacturing center and by 1890 businesses included a livery stable, hotel, hardware store and early residents farmed cherries, apples and pears. Today Necedah is home to approximately 2,274 residents.

NEW LISBON

New Lisbon was first settled in 1845 and its name was derived from Lisbon, Ohio, from where many pioneers originated. The community was organized in 1853 and developed quickly upon construction of the railroad. By 1900 New Lisbon housed a brewery, hotel, shoe shop, general store, flour mill and specialty shops. The Gee's Slough Group of Indian Mounds found in the area attracts many visitors each year and is now on the National Register of Historic Places. Today New Lisbon is home to approximately 2,353 residents.

WONEWOC

Originally part of Sauk County, Wonewoc was settled in 1842 as pioneers were attracted to the fertile soil and ample water supply. By 1857 a hotel and post office were established and the area grew dramatically as rail lines were constructed. By 1800 Wonewoc housed a physician's office, law office, church, school and the area continued to thrive. It is now known for its vast recreational opportunities that draw many visitors annually. Today Wonewoc is home to approximately 758 residents.

WISCONSIN DELLS

Wisconsin Dells, originally a famous reference point for traders and explorers, was founded in 1857 upon the arrival of the railroad. The community was first known as Kilbourn and is one of the oldest resort areas in all of Wisconsin. The natural beauty of the area attracted tourists from across the country, many of whom became permanent residents. By 1900 businesses were thriving and the community continued to grow. Today Wisconsin Dells is home to approximately 2,468 residents.

Operating Watercraft

FOLLOW THESE GUIDELINES TO HELP PREVENT AND PREPARE FOR CAPSIZING, SWAMPING, OR SOMEONE FALLING OVERBOARD.

- MAKE SURE THAT YOU AND YOUR PASSENGERS ARE WEARING LIFE-JACKETS WHILE THE BOAT IS MOVING.
- ATTACH THE IGNITION SAFETY LANYARD TO YOUR WRIST, CLOTHES, OR LIFE JACKET.
- DON'T ALLOW ANYONE TO SIT ON THE GUN WALE, BOW, SEAT BACKS, MOTOR COVER, OR AREAS NOT DESIGNED FOR SEATING. ALSO, DON'T LET ANYONE SIT ON PEDESTAL SEATS WHEN CRAFT IS NOT IN IDLE.
- DON'T OVERLOAD YOUR BOAT. BALANCE THE LOAD OF PASSENGERS AND GEAR STORED ON-BOARD.
- KEEP YOUR CENTER OF GRAVITY LOW BY NOT ALLOWING PEOPLE TO STAND UP OR MOVE AROUND WHILE CRAFT IS IN MOTION.
- IN SMALL BOATS, DON'T ALLOW ANYONE TO LEAN BEYOND THE GUNWALE.
- TURN BOAT AT SLOW RATES OF SPEED.
- SECURE THE ANCHOR LINE TO THE BOW, NEVER TO THE STERN.
- DON'T RISK OPERATING WATER CRAFT IN ROUGH CONDITIONS OR BAD WEATHER.

Who May Operate a Motorboat

(OTHER THAN A PERSONAL WATERCRAFT)

- FOR ENGINES 25 HORSEPOWER OR LESS:
 - THOSE UNDER AGE 12 MAY OPERATE WITHOUT RESTRICTIONS.
- FOR ENGINES OVER 25 HORSEPOWER THROUGH 75 HORSEPOWER:
 - THOSE UNDER AGE 12 MUST HAVE SOMEONE 21 YEARS OF AGE OR OLDER ON BOARD WITHIN REACH OF THE CONTROLS. -
- FOR ENGINES OVER 75 HORSEPOWER:
 - NO CHILDREN UNDER AGE 12 MAY OPERATE, EVEN WITH AN ADULT ON BOARD.
 - OTHER RESTRICTIONS APPLY TO BOAT OPERATORS 12 TO 17 YEARS OLD:
 - OPERATORS FROM 12 TO 17 YEARS OF AGE MAY OPERATE ENGINES OF 25 HORSEPOWER OR LOWER WITH NO RESTRICTIONS.
- FOR ENGINES OVER 25 HORSEPOWER:
 - OPERATORS 12 TO 17 YEARS OF AGE MUST HAVE: A WATERCRAFT OPERATOR'S PERMIT, OR SOMEONE AGE 21 YEARS OR OLDER OLD ON BOARD WITHIN REACH OF THE CONTROLS.

All Watercraft...

- MUST HAVE AT LEAST ONE COAST GUARD APPROVED TYPE 1, 2, 3 OR 5 FLOTATION DEVICE THAT IS THE PROPER SIZE FOR EACH PERSON ON BOARD OR BEING TOWED.
- ALL DEVICES MUST BE IN GOOD CONDITION AND EASILY ACCESSIBLE.
- CHILDREN UNDER AGE 10 MUST WEAR A DEVICE WHEN ON BOARD A BOAT THAT IS UNDERWAY UNLESS:
 - IN AN ENCLOSED CABIN OR BELOW DECK OR ON AN ANCHORED BOAT THAT IS BEING USED FOR SWIMMING OR DIVING OR PASSENGER CRAFT WITH A LICENSED CAPTAIN.
 - ALONG WITH THE ABOVE AT LEAST ONE APPROVED TYPE 4 MUST BE ON BOARD BOATS 16 FT. OR LONGER (EXCEPT CANOES AND KAYAKS) AND IMMEDIATELY AVAILABLE.
 - A COAST GUARD APPROVED TYPE 5 DEVICE MAY BE SUBSTITUTED FOR ANY OTHER COAST GUARD APPROVED DEVICE IF IT MEETS THE SAME REQUIREMENTS AND IS NOTED ON THE LABEL.
- ANYONE RIDING A JET SKI OR OTHER PERSONAL WATER CRAFT MUST WEAR AN APPROVED -NON INFLATING FLOTATION DEVICE, AS WELL AS ANYONE BEING TOWED BY A WATER CRAFT.

TORNADO SAFETY

Precautions:

- KNOW WHERE YOU CAN TAKE SHELTER IN SECONDS.
- HAVE A PLACE, EVERYONE KNOWS, TO GO TO AFTER THE STORM HAS PASSED.
- FLYING DEBRIS IS THE BIGGEST DANGER DURING A TORNADO. YOUR SHELTER SPACE SHOULD HAVE MATTRESSES OR THICK BLANKETS AROUND, TO PROTECT YOURSELVES.
- DO NOT OPEN YOUR WINDOWS TO TRY & "EQUALIZE THE PRESSURE." THIS ONLY MAKES IT EASIER FOR DEBRIS TO INJURE YOU.
- Also, STAY AWAY FROM WINDOWS!

Things to Look and Listen for:

- CONSTANT ROTATION OF THE CLOUDS BASE.
- FLYING/ROTATING DEBRIS UNDER THE CLOUD.
- TORNADOS DON'T ALWAYS HAVE A VISIBLE FUNNEL.
- HEAVY RAIN OR HAIL FOLLOWED BY EITHER BY ERIE CALM IN THE STORM OR RAPID WIND CHANGES & SHIFTS.
- LISTEN FOR LOUD, CONTINUOUS RUMBLING WITH NO BREAKS IN IT LIKE THUNDER.

Lightning Distance Tracker

YOU CAN FIGURE OUT HOW FAR AWAY THE LIGHTNING IS FROM YOU LIKE THIS... COUNT THE SECONDS IN BETWEEN THE FLASH OF LIGHTNING & THE CRACK OF THUNDER. DIVIDE THE NUMBER OF SECONDS BY 5 & YOU HAVE YOUR DISTANCE IN MILES.

0 SECONDS	5 SECONDS	20 SECONDS	60 SECONDS
0 MILES	1.08 MILES	4.35 MILES	13.06 MILES

HISTORY

The Green Bay Packers were founded by the Indian Packing Company in 1919 and led by Earl Lambeau. Within two years the team was allowed into the National Football League and the first stadium, City Stadium, was constructed in 1925. The Packers played there until 1957 when construction began on Lambeau Field, named in honor of legendary Earl "Curly" Lambeau who brought the team to multiple championships as a player and as head coach. The Green Bay Packers have won 13 championships, multiple division titles and have 22 players and coaches inducted into the Pro Football Hall of Fame - more than any other team in the league. Lambeau Field, the current home of the Packers, has hosted 56 years of Packers football and has witnessed multiple renovations throughout its history allowing for its current 73,000 seating capacity. The stadium is known as one of the toughest venues to play in due to the harsh Wisconsin winters. Since 1960 season tickets have remained sold out with almost 90,000 people on the waiting list. The Green Bay Packers are now the only non-profit and community owned team within the league and is the third oldest team in pro football today. They have witnessed trial and triumph and continue to be one of football's dynasties.

**Please contact your local DNR office for specific hunting and trapping zone regulations. For general information on firearm safety training call: 1 (888) 936-7463.*

All hunters should consider taking an advanced hunter education class to learn the latest hunting techniques along with tips on coming home alive.

Here are 5 Suggestions for a safe and successful hunting experience:

1. Get a detailed map of the area you are hunting, review it before you leave, and carry it with you in the field.
2. Carry a compass and know how to use it. Decide ahead of time the direction to head for if you get lost or disoriented.
3. Weather can change quickly, so hunters should carry a simple survival kit and be prepared for an unexpected overnight stay in the field. The survival kit should contain a rope, a knife, water, waterproof matches, an emergency shelter, and first aid supplies.
4. If you are on the water, make sure to wear a personal flotation device (life preserver).
5. Know your hunting partners' physical and emotional limitations, as well as your own, and don't push your partners or yourself beyond those limits.

Bicycle Hand Signals

Snowmobile Hand Signals

Communication is an essential part of safe riding. Hand signals are a practical way to communicate between other riders and traffic.

Be sure to give easy to see and clear hand signals when snowmobiling. Hand signals should never be subtle, but always distinctive.

Read the owner's manual

- Know your vehicle thoroughly.
- Check your vehicle before you ride.
- Wear protective equipment and clothing.
- Don't lend your vehicle to unskilled riders.
- Supervise young or inexperienced riders.
- Never carry a passenger on vehicles meant for one rider.
- Do not operate under the influence of drugs or alcohol.
- Drive at speeds that are appropriate to trail conditions.
- Stay to the right on trails.
- Stay away from thin ice, open water and wetlands.
- Know the weather forecast.
- Make sure headlights and taillights work properly.
- Maintain safe distances between other riders.
- Reduce your speed when riding at night.
- Yield to other motor vehicles and trail users.
- Young or beginning riders are encouraged to take a safety training course.

Know Your ATV

Drink lots of Water!

- Always wear a properly fitting bike helmet as most serious injuries are to the head.
- Be sure your handlebars, seat and wheels fit snugly.
- Keep your bike in good shape by checking and oiling your chain, making sure your brakes work properly and maintaining your tire pressure.
- Always ride with both hands on the handlebars except when doing turn signals.
- When leaving a driveway, curb or alleyway always stop and check for traffic in both directions.
- Cross only at intersections.
- Use the crosswalk to walk your bike across busy intersections and follow the traffic signals.
- Never ride against traffic. Travel in the same direction as the cars.
- Whenever you can, use bike routes and avoid busy streets.
- Don't ride near parked cars as doors can open and cause accidents.
- Obey all traffic signs and traffic lights.
- When biking with friends, ride in a single file.
- Always pass other bikers or pedestrians on the left and say "On your left!" to make your presence known.
- Always use bicycle hand signals to alert traffic of your changing direction.

Be Cautious of Other Bikers

- Do not consume alcohol or take drugs prior to or during your snowmobile trip. Doing so increases your chances of injury or death.
- Slow down and don't cut to the inside of the trail corners. It's dangerous and illegal.
- If you snowmobile at night, don't override your lights.
- Always use the buddy system. Never ride off alone.
- Drowning is one of the causes of many snowmobile fatalities. Whenever possible, avoid the ice.
- Wear sensible, protective clothing designed for operating a snowmobile.
- Use a full size helmet, goggles, or visor to prevent injuries from twigs, stones, ice chips and other debris.
- Avoid wearing long scarves. They may get caught in moving parts of the snowmobile.
- Know the terrain you are going to ride. If unfamiliar to you, ask someone who has traveled over it before.
- Know the weather forecast, especially the ice and snow conditions.
- Be sure your snowmobile is in top-notch mechanical condition throughout the months of use.
- Familiarize yourself with the snowmobile you are driving. Thoroughly read the manual that accompanies the snowmobile.
- Do not pursue domestic or wild animals. That is not the conduct of a sportsman. Report such violations to the nearest law enforcement officer.

Slow Down!

Snowmobiling is fun. Going to the hospital isn't.

ADAMS COUNTY

PRIVATE PROPERTY
NO TRESPASSING

Please respect private property and no trespassing signs. Stay on trails.

Exercise extreme caution on all lakes and streams. Obey all state and local laws and ordinances. Do not operate snowmobiles/ATVs on county roads or state highways.

EMERGENCY FIRST-AID

PARENTS:

- Teach your kids that an emergency is when you need help from a doctor, a police officer or a firefighter.
- Designate a safe place by your house that a child can go to if they need help right away.
- Have your kids memorize your address and phone numbers. They should also know your full name and where you work.

KIDS:

FIRE SAFETY

- If you or someone else is on fire - remember to STOP, DROP and ROLL. Wrap a blanket on the person to help put out the fire.
- If there is a fire, leave the house as fast as you can! Crawl on the floor to avoid smoke and if the door is hot, don't open it - find another way out.
- Learn all the fire exits in your house. Assign a safe place outside for everyone to meet in case of a fire emergency.

HOME ALONE

- Never tell anyone that you are home alone.
- If someone calls and asks for your mom and dad, tell them "They cannot come to the phone right now, can you please call back later?"

- Do not answer the door, unless it is someone that you know your parents have okay'd them to come over.

FIRST AID FOR INSECT BITES/ANAPHYLAXIS & POISON SAFETY

INSECT BITES/ANAPHYLAXIS

Anaphylaxis is a severe allergic reaction from insect bites (latex, food and drug allergies can also cause Anaphylaxis). Typical symptoms include hives, the swelling of lips or eyes, swollen throat, drop in blood pressure, light headedness, confusion, nausea or diarrhea. If someone is having an allergic reaction from an insect bite with these symptoms:

POISON PREVENTION

Teach your children about poison and how it can look like a food or drink. They should always ask an adult before eating or drinking anything. Have them learn the poison control phone number: 1-800-222-1222 and keep it programmed or posted near all your phones.

Here are some prevention tips.

Lock up your poisons and medications. Keep them out of the reach of children, lock them up if possible. Make sure your children understand that medicine is not candy.

Follow directions carefully. Read your labels. Be sure to use and store all poisons and medications properly according to recommendations.

Keep your pets safe from household chemicals, too. Don't allow pets near areas that have just been cleaned with chemicals, such as freshly mopped floors or bleached bathtubs and sinks. Clean up any antifreeze/coolant spills. Pets like the flavor but they can die if they ingest it. Store poisonous foods or plants in areas that your pets cannot access. Call your local emergency veterinary hospital if you believe your pet has been poisoned.

Fun for the Whole Family!
